9 Aug 44: Many German wounded have been evacuated through this sta in the past 24 hours and at the same time many truck loads of prisoners have been sent to the stockade in the rear. This orgn is now evacuating patients from the suburbs of St. Valo by amb direct from the Bn Aid Stas. Evacuation is going on smoothly as counter-battery fire from our big guns have silenced many of the German guns that had made the roads nearly impassable. Morale of all troops that this orgn has come in contact with is very high, as many German prisoners continue to stream to the rear. Weather has been excellent.
