Figure 1

STATION PLAS POWER DENBIGHSHIRE
ORGANIZATION Co B 324th INF

A black and white photograph of a brick wall. The bricks are laid in a standard running bond pattern, with horizontal mortar lines clearly visible. The wall appears to be made of dark-colored bricks, possibly dark grey or black. There are some small, light-colored specks and a faint vertical line on the left side of the image, which might be dust or a scratch on the original print. The overall texture is uniform and repetitive.
