RECORD OF EVENTS
 Sixty-seven prisoners taken from hill 5, ob-
 jective E. More than 35 Germans killed, cap-
 tured 2 88mm and five pillboxes and strong
 point trenches. Our men used their fire beau-
 tifully knocking out pillboxes, gun emplacements
 and snipers. Objective E, hill 5 proved to be
 a strong point well manned, but was cleared out
 successfully within 2 hrs after the jump off,
 under extensive heavy shelling and and intense
 mortar fire. Casualties were light, some
 suffered from anti-personnel mines. Tanks
 were unable to give support, probably due to
 Anti-Tank mines layed thru-out the area. Co.
 defense was well set up with the use of hasty
 mine field and bazooka teams to cover tank
 approaches.

position so we could supply the men better. This aided in serving all men and in evacuating the wounded. Area shelled intermittently all yesterday, but little last night. After working all night, last night removing mines from the road, a tank still hit one. Later our jeep likewise hit two, the driver was not hurt. The roads are now clear to our forward positions. Also discovered and marked an additional A-P mine field today. Our men passed thru a chain of hasty A-P mine fields, fortunately we suffered few casualties. Company occupied positions on objective and Hill 5, improved positions for better defence and cover. We operated two warming dugouts at the rear C.P., giving all men a chance to warm up, put on dry clothing, clean socks and had the medics inspect feet. We provided a few extra smokes and coffee, improving morale as a whole considerably. Regt'l C.O. and Bn C.O. have placed C.P. in our area for it has excellent observation of the several cities

in the distance. There was Jerry plane activity during the night in our area. In the distance, close at that, we could see our bombers which had razed some of the big industrial plants along the Roer River. We turned in several men for Star Awards, due to outstanding action in last few days. Our prisoners total, for two days, about 100. Our casualties light, German casualties since Gey, approx. 90 killed or wounded in our sector. Enemy air activity overhead practically each night. Our A.A knocked out two last night while they were bombing and strafing troops and tanks. Today Jerry planes dropped A-P mines, but our planes came in and knocked down two Jerry planes. Intermittant heavy snelling during day, but no casualties. The coordinated attacks were well executed and much credit is due to all the men of Company "C". Every man did his job well. All available men were used to carry ammo.

Weather - damp, foggy and chilly. Co. hold-
ing place on Hill 5. Ten casualties from a shoe
mine field yesterday. Activity light for day &
night in our area. Intermittant shelling, but

RECORD OF EVENTS

Direct hit on one OP of 2nd Pltn in Schneidhauser caused 7 casualties. Jerry was shelling constantly from their positions across the river and from direction of Duren. We carried out casualties and carried in rations etc. under cover of darkness.. Jerry fired at our aid men and riflemen as they came out with the most serious wounded casualties. Fortunately, none were hit, however a stretcher was hit just after the wounded man was carried away from it. Shell of Kufferath rather dispersed, but constant & searching. Enemy and our own planes active today. Blackjack attacking on right had to continue into today in order to take objective. We reported "Shell Reps" of 3 guns during night, giving oz. from two points plus time of shell flight. Still serving 2 hot meals to all of Co plus attachments, except for reinforced 2nd Pltn. We supply them at night, with simple rations.

RECORD OF EVENTS

On 25 Dec 44 we were relieved by Cavalry attached to the 8th Div. Moved our unit out of Kuff-erath in afternoon. Several pltns erected Xmas trees, with quite an assortment of ornaments & candles. The Xmas spirit prevailed today. Officially relieved at 1900 last night by C Troop, 113 Calvry. Relief effected without casualties under enemy aerial and flare activity. Entrucked at Horn and moved by company to the suburbs of Aachen, arriving 0100. Troops billeted in apartment houses which, though sparsely furnished, were better than being out in the cold. Had excellent hot chow this morn-ing and began to clean up ourselves, weapons, equipment and the billet. Bathtubs were eyed, but our hopes of taking a bath was very soon discouraged by the order to move. We are now in the 9th Army.
