At 1700 company was sent a message by radio to hold up where it was and await further orders All around security was posted and listening posts were set up. Company then received word of a counter-attack on the left in 329th sector. Company was then pulled back and put in position to watch the flanks of sm. At 2300 company was pulled back to it's present position 1300 yds SE of Landlir where it set up a defensive position. It is very cold and the snow is deep. Men are having trouble with their feet.
