Organic:

2nd Bn.

1. One (1) .30 cal. M.G. Plt and one (1) .30 cal. C. plt will be organized by C.O., "H" Co. Plt leaders of these plts will select and prepare positions in vic of 353743 to provide overhead fire support until fire is masked by assault Co's., thereafter on areas and targets of opportunity west of fire control line (see overlay)

2. 81mm platoon fire previously registered fires on area as shown on overlay (See para X)

3. 60mm (See para X)

3rd Bn.

1. 81mm platoon fire previously registered fires on area as shown on overlay (See para X)

2. 60mm (See para X)

S.P. T.D. Bn.

Select and prepare positions in vic of 353747 to support with direct fire until fire is masked, thereafter on targets of opportunity in the west of fire control line (See overlay). Note: Guns to be moved into position under cover of smoke at H-15.

Engrs

One platoon Engrs with necessary equipment to follow left assault Co. and (1) prepare crossing of swamp (2) mark route (3) after dark lay wire and mine in front of Co. defending the objective.

- X -
- (1) 60mm mortars of all Co's will fire one round per gun every 30 seconds in Z area from H-15 to H-16.
 - (2) Ammo expenditure of all types will be figured beforehand and resupply placed on position prior to 1800 hours today.
 - (3) Extra bazookas for Co. defending.
 - (4) All organizations and attack units will be alert for counter-attack in our present position.
3rd Bn. will send one (1) Co. to occupy area now occupied by 1st Bn. at 1800. This Co. will be withdrawn to present location when 1st Bn. returns to its present position.
 - (5) Additional medical personnel in vic. of 2nd Bn. aid station.
