3. **CONCLUSIONS**—The results of this study indicate that the use of a single, standardized, and validated questionnaire can provide a reliable and valid measure of the prevalence of occupational asthma in a large, multi-center study. The use of a single, standardized, and validated questionnaire can also provide a reliable and valid measure of the prevalence of occupational asthma in a large, multi-center study.

CLASSICAL MUSIC

A close-up, black and white photograph of a brick wall. The bricks are laid in a standard running bond pattern, with dark mortar joints visible between them. The lighting is even, highlighting the texture of the bricks.
