Anbei erhalten Sie ein Paßbild, in einem Rähmchen, von einem am 11. 9. 1944 abgeschossenen amerikanischen Kampfflieger. Das Paßbild ist eine Copie. Original-Paßbild habe ich noch in meinem Besitz. Das Rähmchen, sowie Glas fertigte ich vom Material seines Flugzeuges an. Leider ist mir der Heimatort unbekannt. Chigako könnte möglich sein.

Es würde mich freuen, wenn Sie noch die Angehörigen ermitteln könnten und ihnen das Bild zusenden würden. Einzelne sterbliche Überreste fand ich noch 1960 und 1961. Bemerken möchte ich, daß ich keinen Dank will. Auskunft über meine Person kann Ihnen Frau Frieda Schmidt-Gafner

Dear Mr. Lewis:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Dear Mr. Lewis:

The Army Effects Bureau has received from overseas some personal effects of your son, Private William G. Lewis.

I am inclosing a personal check for \$5.00, payable to your son, which was drawn on the Liberty Bank, Buffalo, New York. The remainder of the property is being forwarded to you in one carton.

If, by any chance, the property has not reached you at the expiration of thirty days from this date, please notify me and tracer will be instituted.

I regret the circumstances prompting this letter, and wish to express my sympathy in the loss of your son.

Yours very truly,

Gentlemen:

Your letter of recent date with letter dated 29 January 1962 from Adelbert Wolf inclosed has been referred to this office for reply concerning Private William G. Levis, a World War II casualty.

The records of this office indicate that Private Levis was accidentally shot in France on 1 July 1944. He was buried the same day in the temporary United States Military Cemetery located at Blosville, France. At a later date, in accordance with the request of his next of kin, Private Levis' remains were reburied in a permanent American Military Cemetery in France. This is the only Levis of record.

Sincerely yours,

Mrs Boozer

Enclosed you received a passport picture within a little frame of an American Fighter Pilot who was shot down on 11 Sept 1944. The passport picture is a copy. The original passport is still in my possession. The frame as well as the glass was made by me out of material of his plane. Unfortunately, his home town is not known to me. It could be Chicago. I would be pleased if you could find some of his relatives to whom I would like to send pictures. Some of his remains I found as late as 1960 & 1961. I should like to point out that I do not expect any thanks. You can obtain information concerning me thru Frau Frieda Schmidt - Gafner

my last thanks in advance for all your trouble

Dear Sirs,

We acknowledge receipt of your reply dated 13.11.1962,
concerning:

William LEVIS

US airman shot down in Eastern Germany.

As appears from the letter sent to us by Mr. Adelbert WOLF in January 1962, of which a photostat copy is enclosed, this man found bits of the wreckage of the plane in 1960 and 1961. We suppose that he did not know any more particulars concerning the identity of the American airman than those mentioned in his letter, that is, that he may come from Chicago and that his name was William LEVIS.

On the other hand you will notice that Mr. WOLF does not want to be thanked, probably meaning that he does not want us to correspond with him in Eastern Germany. Therefore even if he possessed the information you require, that is, the airman's full name and service number we would not be able to request them.

We very much hope that, may be by the press, you will be able to identify the airman.

A photography reporter of one of your most famous US magazine is very interested in this case and would like to be able to make a photographic report, but then it would be necessary for them to know name and address of the family. We very much hope that you will be able to comply with our wish and thank you in advance for whichever help you can bring us in this case.

Yours faithfully,

Enclosure: 1 photostat copy of a letter
