My dear Sir:

This is to inquire concerning Pfc. Joseph N. Quail 32702351 of 3246 Kingsbridge Avenue, New York 63, New York whose last address was Company K, 331 Infantry, A.P.O. 83, c/o P.M. New York.

The War Department notified his mother that he was killed in action on July 1, 1944, somewhere in France. Although we have never had any replies from our letters to the Chaplain and others in authority, his mother did receive a package of some personal effects. No word has come regarding his death, however - where it occurred, in what manner, or what disposal was made of his remains.

Joseph's brother, Peter David, was killed in action in New Guinea on August 6, 1944. We have heard definitely from his Chaplain. Our youngest, Richard, is now Pfc. at Fort McClellan in Alabama.

You can perhaps realize the agony and strain felt by the family. Details regarding Joseph would be very much appreciated. May we hope to have some word from you?

Very sincerely

Dear Mr. Quail:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN
Major General
The Quartermaster General
